MESSAGE

Seva Bharati, Purbanchal (SBP) is a socio-cultural voluntary organization affiliated to Rastriya Seva Bharati, New Delhi. SBP's benevolent works are spread across all the North-eastern states in general but it is more focused in Assam, Meghalaya and Nagaland at present. SBP was founded in 1998 in Guwahati, Assam.

The main objectives of SBP is to guide the youth to become a successful and patriotic citizen by proving moral orientation and skill development. SBP also provides hostel accommodation to the needy youths of the region. SBP has been working actively in the field of rural development, vocational training, health care, education, and relief & rehabilitation during disasters, across all the states of Northeast India.

During the spread of second wave of Covid-19 pandemic it has distributed about 500 Oxygen Concentrators to the different Government & Private Hospitals across all the North-eastern states, moreover Oxygen Concentrators were also provided to many Covid-19 victims individually.

Over the past twenty-three years, Seva Bharati, Purbanchal has directly engaged itself in socio-cultural upliftment of the region. Recently, the Yognilayam SBP's flagship project on propagation of Yog has been recognized as one of the study centre of Krishna Kanta Handique State Open University (KKHSOU). SBP is also in the final stage for obtaining recognition / permission / NOC from Assam Govt. Technical Education Department to start a course on "Advance Diploma in Industrial Safety".

This year SBP along with National Medicos Organization (NMO) & Saksham initiated “Netra-Sarathi” a large scale action plan to provide spectacles to the under privileged & needy people of our society focusing mainly on the tea garden dwellers.

Going through the past success stories of Seventeen (17th) Dhanantari Sewa Yatras (DSY), Seva Bharati, Purbanchal & NMO to organized 18th DSY where in free medical camps in entire NE region were organized from 7th Feb to 14th Feb 2021.

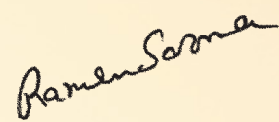

Seva Bharati, Purbanchal also extends its charitable services in the far-flung areas of the NE regions through its affiliated service organizations (Seva Sangsthan) Namely :

1. Ratnapeeth Seva Samitee, Bongaigaon
2. Seva Bharati Guwahati
3. Seva Bharati Kamakhya Nagar Charitable & Dharmic Trust
4. Seva Bharati, Meghalaya
5. Seva Bharati, Nagaland.

Today, I appreciate the active support of all the members of SBP without their effort SBP would not have achieved its goals and look forward for similar support in the years to come. I also take the opportunity to thank all the donors whose contribution immensely helped SBP to take forward the seva works to the poor & the needy.

I hope & believe that SBP’s determination to provide services beyond barrier to reach the last needy in the far-flung areas will continue till it achieves its goal.

Thanking You.

NIRAMAYA PROJECT

Integrated Child and Adolescent Development Action

“NIRAMAYA”

Health, mind and thoughts

4 NIRAMAYA

Niramaya Project- Integrated Child and Adolescent Development Action, this ambitious project was initiated in April, 2017 with the support from **Infosys Foundation**, which provides free health and education service facilities to the unreached section of the society to ensure practice of healthy lifestyle and treatment in 200 villages of Assam. Under Niramaya project, a total nos. of 200 villages were selected covering 18 districts of Assam.

4.1 The aim and objectives of Niramaya project are

- To establish, promote, support, assist, and conduct free health and education service facilities to the unreached section of the society.
- To ensure delivery of healthy lifestyle practice and treatment in an innovative manner.
- To build a development model primarily focusing on health and education, for children and adolescents in villages.
- To build a sustainable framework for community development by proper use of updated technology.
- To screen and identify health issues through medical camps in the communities.
- To raise awareness on health, skill development, livelihood, and social issues focusing mainly on mother and child's health.
- To improve life skills of children through character building, personality development and basic science concepts.
- To enhance physical and mental health of adolescents of the community through self-awareness program "Atmabhaan".

4.2 Components of Niramaya

Figure : Six Major Components of Niramaya Project

4.3 Programmes under Niramaya project

- Participatory Rural Appraisal (PRA) of 200 Villages
- Baseline Household Survey of 200 Villages
- Health Screening Program for Children and Adolescents (0-18 yrs)
- Mother and Infant Health Program (0-5 yrs)
- Life Skill Development Program for Pre-teens (6-14 yrs)
- Adolescent Development/ Self-Awareness Program (15-18 yrs)

4.4 Niramaya Project Implementation & Management

To implement the project objectives, a team of dedicated 40 Community Field Officers (CFOs) who were previously engaged in Arogya Mitra project, worked selflessly for social upliftment were deployed in this project. Each CFO is responsible for five villages. Besides, these CFOs, 600 village Assistants were also selected from villages for implementation of the Niramaya programmes. Three village volunteers were reassigned in each village to run programmes smoothly. In the FY 2017-2018 & FY 2018-2019, participatory rural appraisal (PRA), household survey and 1st phase of health screening and other programmes like health & life skill education programme, social awareness programmes etc. were done in all 200 villages using specially developed software. In the previous FY 2019-20, 2nd phase of health screening and other components were carried out.

In this Financial Year 2020-2021, due to COVID-19 pandemic situation of Assam, following all the guidelines and protocols of the Government of Assam Seva Bharati Purbanchal carried out the activities of the project. After the removal of partial lockdown situation in Assam from in between September 2020 and February 2021, Health Screening, MCHP, CDP and ADP activities were again conducted by following all protocols.

4.5 HEALTH SCREENING

In this FY 2020-2021, 3rd phase of health screening has been conducted. In this phase, a total 2884 children were screened and 88 children and adolescents were found with disorder. Out of total 2884 children, 1306 children were male and 1578 children were female.

Table : No. of different categories of defected child and adolescent

Category of Defects	No. of Cases
Birth defect	4
Deficiency	26
Diseases	31
Developmental Delay	24
Others	3

After screening, the required children were referred to nearby associated hospital or health centre for further treatment as per Govt. health schemes. One Central Govt. health scheme called Rastriya Baal Swatha Karyakram (RBSK) provides special treatment for defected children and adolescents. In this scheme, every Block Development Office (BDO) has a Mobile Doctors team who treats such type of defected children and adolescents. The assigned CFOs visited the Block Level RBSK offices and provided the list of identified special cases to the RBSK Officers for treatment and assigned Mobile Doctors team provided required treatment to that needy children and adolescents.

5 DENTAL CLINIC

Seva Bharati Purbanchal is running a dental clinic at “Seva Kunj” a Multipurpose Activity Centre situated at Gossaigaon, Kokrajhar district of Assam which was inaugurated on 24th December 2020 in the presence

of former Education Minister of Assam Sri Bhabesh Kalita and President of Rashtriya Seva Bharati Sri Pannalal Bhanchali.

This clinic is opened specially for the rural poor people who are unable to afford higher cost of treatment for their dental problems. All types of dental diseases are treated in this clinic with minimum cost by qualified doctors. In this year, more than 60 dental patients were treated in this clinic from January to March 2021.

6 RAKTA - DHARA

A state wide voluntary blood donation camp called “RAKTA-DHARA” was jointly organized by National Medicos Organization (NMO) and Seva Bharati, Purbanchal (SBP) to not just motivate people to donate blood but also to help save the lives of those in need. It was started on 10th May 2020. Despite very difficult circumstances due to the global

COVID-19 pandemic a grand total of 1596 unit blood were collected in 69 camps covering 30 districts of Assam. A mammoth amount considering the fact that this campaign was conducted in the midst of a pandemic. The success of the campaign can be attributed to the zeal of all the people involved in the campaign and the spirit of the donors.

With aim of empowering Children of rural areas of North-East India Seva Bharati, Purbanchal initiated free study centre named One Teacher School (OTS) for rural poor students under the guidance of Shri Surinder Sikand, Secretary, Sewa Canada International Aid Inc. The one teacher school (OTS) project under the sponsorship of Sewa Canada International Aid Inc. provides informal education to the children in the places of less schooling facility or remote areas to promote, support and grow awareness towards education among the students and parents. At the heart of this endeavour there are teachers who educate the young generation within the age group of 4 to 14 yrs, provide basic education with specific curriculum, guidance on day to day issues, facilitate problem solving and teach basic first Aid, health and hygiene education. The teachers become an ally to the community inspiring optimism and self-determination among the rural kids. Seva Bharati, Purbanchal started providing free classes by establishing these Sanskar Kendras in three different areas namely Rani, Boko and Goalpara of Assam since 2011.

7.1 Objectives

- To provide basic facilities for study to the rural children.
- To provide education in rural places.
- To provide educational support to children of economically backward families.
- To develop self-sustain education process in their own places.
- To provide character building based education.
