ANNUAL REPORT

SEVA CANADA
International Aid Inc.

From the Desk of the President

Seva Bharati Manipur was founded as a charitable voluntary organisation in the year 1985 by eminent social workers, professionals and businessmen to extend support to the needy people, especially poor and downtrodden of the society. It was registered under the Registration of Societies Act XXI of 1860. It is also affiliated to Rashtriya Seva Bharati, New Delhi. It has been fulfilling its objectives for since inception. Seva Bharati Manipur complied all the government rules and regulations in respect of submission of Annual Report and filing of Income Tax after auditing the financial matter every year. We are all aware that during the reported year COVID-19, a pandemic of its nature went to peak giving panic to all the people of the globe, irrespective of caste, creed, poor or rich, literate and illiterate. COVID-19 gave maximum blow to the daily bread earners. It has affected more so the illiterate and poor. During this pandemic period, Seva Bharati Manipur came out fearlessly to combat the deadly pandemic by giving awareness to the masses, giving relief materials such as groceries, face mask, hand sanitizer, fogging of the streets and locality. It took the help of local clubs, NGOs as well as social workers. Help extended by local clubs and social workers were exceptional. Large number of migrant workers became jobless suddenly, giving maximum burden to the governments. Getting support from renowned NGOs such as Seva International, Seva Canada, Rashtriya Seva Bharati and also from Government of India Agency such as National Commission for the Protection of Child Rights (NCPCR) were a big boost to the general public.

I am happy that Seva Bharati Manipur could implement a lot of activities in spite of COVID-19 pandemic with support from public, Local Club and renowned NGOs. I am very much indebted to all who supported us financially, physically and morally.
