2. A Word from the President

Seva Bharati Manipur was founded as a charitable voluntary organisation in the year 1985 by eminent social workers, professionals and businessmen to extend support to the needy people, especially poor and downtrodden of the society. It was registered under the Registration of Societies Act XXI of 1860. It is also affiliated to Rashtriya Seva Bharati, New Delhi. It has been fulfilling its objectives for since inception. Seva Bharati Manipur complied all the government rules and regulations in respect of submission of Annual Report and filing of Income Tax after auditing the financial matter every year. We are all aware that during the reported year COVID-19, a pandemic of its nature went to peak giving panic to all the people of the globe, irrespective of caste, creed, poor or rich, literate and illiterate. COVID-19 gave maximum blow to the general people, especially daily bread earners. It has affected more so the illiterate and poor. During this pandemic Seva Bharati Manipur came our fearlessly to combat the deadly pandemic by giving awareness to the masses, giving relief materials such as groceries, face mask, hand sanitizer, fogging of the streets and locality. It took the help of local clubs, NGOs as well as social workers. Help extended by local clubs and social workers were exceptional. Large number of migrant workers became jobless suddenly, giving maximum burden to the governments. Getting support from renown NGOs such as Seva International, Seva Canada, Rashtriya seva Bharati and also from Government of India Agency such as National Commission for the Protection of Child Rights (NCPCR) were a big boost to Seva Bharat Manipur. Various government department and agencies also extended their support in implementing various other scheme. To name a few, they are Central Agriculture University, IBSD-Imphal, RIMS, JNIMS and NCPCR.

I am happy that Seva Bharati Manipur could implement a lot of activities inspite of COVID-19 pandemic with support from Seva Bharati volunteers, public, Local Club and renown NGOs. I am very much indebted to all who supported us financially , physically and morally.

Aribam Brajakumar Sharma
President
Seva Bharati Manipur

4.	Joint Secretary	Shri Shijagurumayum Tarunkumar Sharma
5.	Treasurer	Shri Laimayum Gourachandra Sharma
6.	Member	Shri Laishram Jatra Singh
7.	Member	Shri Premnarayan Adhikari

4. COVID-19

4.1 COVID-19 Awareness

We are all aware that COVID-19 pandemic started spreading throughout the world since December, 2019. Initially it started from China. In India it started spreading from around February 2020. Seva Bharati Manipur with its dedicated volunteers took up various initiative not to spread Novel CORONA VIRUS. As per the ICMR and WHO guidelines, people should not go out unless very necessary. People should wear face mask and sanitise hands frequently with social distancing (6 ft). Doctors and paramedics should wear PPE etc while giving treatment. Seva Bharati Manipur organised awareness programme to effect these measures. They were also given instruction not to be afraid of the pandemic. They should stay aware of various guidelines issued by government from time to time.

4.2 Covid-19 Relief

Seva Bharati Manipur with its dedicated volunteers reached out to the people for distribution of face mask and hand sanitisers in large number. Volunteers visited door to door making awareness as well distribution of items. When Government issued Lock Down in March 2020 for 21 days, a complete ban of movement of people to contain spread of COVID-19. It caused panic to many people, especially daily wage earners. They did not have food to eat. Many did not have space to stay and cook. A horrible situation. During such time, volunteers of Seva Bharati Manipur with financial assistance from Rashtriya Seva Bharati Delhi and generous donors from local people provided grocery items such as rice, dal, oil and onion etc. Seva Bharati reached out to stranded people such as tourist, hostel boys and girls during the first phase of COVID-19. Beneficiaries appreciated the noble work of Seva Bharati Manipur. Large number of volunteer came out to extend help during the COVID-19 pandemic.

Distribution of Grocery item (Phase-I)

During the II phase of Pandemic (COVID-19), patients and hospitals were panic for not having sufficient Oxygen which is required in large quantity in very short time. Situation was so serious that Government of India introduced Oxygen Train for supply of Oxygen to the needy state across the country. At such time Seva Bharati Manipur with help of Seva International and also with Seva Canada, provided 110 Oxygen concentrators to 11 hospital. Some Concentrators were loaned to home quarantine patients, which is again taken back for loaning to other such patients. AYUSH-63 was again a phase for distribution to home quarantine patients. The scheme was taken up with the help of Ministry of AYUSH, Govt of India. Seva Bharati extended its COVID-19 relief service to the neighbouring country, Myanmar. Blood donation camp were also organised during such dreaded time at RIMS-Imphal and JNIMS Imphal Blood donation camp was organised jointly with NMO Manipur. Large number Arogya Kit were also distributed to the people flung area whose health care facility is less compared to urban area. Arogya Kit were provided by Seva International.

Contd. from Page 1

Donated 3500 Lunch Packets....

Prof. Sachin Deba Singh, Deputy Medical Superintendent, RIMS Hospital, Imphal on behalf of RIMS, Imphal expressed deep gratitude and thanks to Seva Bharati Manipur, Jain Samaj Imphal and Bazar Community Imphal for their noble contributions.

The Director, Prof. A. Santa Singh also thanked Lamphel Baptist Church for donating surgical and loose hand gloves, Face mask, Hand sanitizer and PPE kit to RIMS Imphal supporting to fight

COVID-19 pandemic.

It is further thanked and appreciated Dr. Chetan Maibam, Assistant Professor,

Department of Surgery, RIMS for contributing a sum of Rs. 44,444/- to help COVID Management of RIMS, Imphal.

Cooked food were also distributed among many people . It gave a spirit to the people that they should come forward to help people at the time of calamity, and pandemic etc.

5. Neurotherapy

Neurotherapy is a system of physiotherapy by messaging the body either by legs or hands. It can cure many diseases which without medicine. Chronic diseases are also treated by this method. It is a continuous activity of Seva Bharati Manipur for the last many years. Success rate of treatment is growing. Treatment is without medicine i.e by messaging the body parts by trained therapist. At present therapy is going on at Seva Bharati Manipur , Nagamapal Imphal premise every day from 6:30 - 10:00 am on all working days except Sunay. All kinds of patients are treated here.

6. Go-Sala

A go-shala has been set up at Rajarshi Bhagyachandra skill development Centre (RBSDC), Haraorou. At present 10 cows are being kept. Training on cow based farming, preparation of compost are being organised regularly. Around 100 villagers have been benefitted for rearing local cow for treatment of common diseases, as pesticide, for organic manure and organic farming. It has also become a Promotional Unit for Go-Sala.

7. HANDLOOM DEVELOPMENT

Seva Bharati set up a Handloom Unit at Rajarshi Bhagyachandra skill development Centre (RBSDC), Haraorou. Formal inauguration was done by Hon'ble Industry Ministry Shri Thongam Bishwajit Singh in the presence of Shri Ulhas Kulkarniji, Assam Kshetra Pracharak, Ma. Prant Sanghachalak, Dr L. Ibungohal Singh and Shri Aribam Brajakumar Sharma, President Seva Bharati. Ten numbers of loom has been set up and engaged 15 local weavers for the activities, i.e training cum production. Seven more centre have been set up namely at Ghari, Ningthoukhong, Khundrakpam, Pukhao, Maiba Khul, Keithel Manbi, Hiyanglam. Total number of looms are 50.

8. FREE MEDICAL CAMP

Dhanvantary Seva Yatra (free medical camp) were held wef 7-13 February 2021 at six places. They are Charangpat, Irang of Kangpokpi district, Serou of Kakching district, Thanga & Karand and Leimaram of Bishnupur district, Yambem and Andro of Imphal East district. 1175 patients were treated during the Dhanvantary Seva Yatra by a team of 63 doctros and paramedics. Helth checkups were also done for Blood Sugar, HB, ECG and eye check etc. B.P-11 Nos., HB-129, ECG-210, Eye Check up-52. Free medicines were also distributed to the patients.

9. YOGASAN

Yogasan is one of the main activities of Seva Bharati Manipur. Due to COVID-19 pandemic, most of the yoga programme were done through Online. It could connect more places due to online. New practitioners did join yoga programme though COVID online counselling, which was operational to relief people from COVID-19 pressure. Though physical yoga would not be performed properly, online yoga performed successfully in many place.

10. AGRICULTURE

Seva Bharati Manipur organised training for the organic farming as well as idea of composite agriculture to double income to the local farmers with the help of CAU, A Central Govt University. Composite farming is also done at Rajarsi Bhagyachandra Skill Development Centre, Haraorou, which is a component of Seva Bharati Manipur. An Orchid Yard is also developed with the assistance of IBSD, which is a research unit of local plant varieties under Government of India. Local people are encouraged to see the model farming so that they can set up to increase income.

11. NCPCR

National Commission for Protection of Child Rights (NCPCR), New Delhi sanctioned Twelve (12) programmes to Seva Bharati Manipur during the period of 2019-2020. The programmes were conducted successfully by the dedicated team of Seva Bharati within a short span of thirty (30) days i.e., 16th December, 2019 – 14th January, 2020. There were seven (07) state level programmes and five (05) district level programme. The district covered are (i) Churachandpur; (ii) Bishnupur; (iii) Chandel; (iv) Imphal West and (v) Imphal East.

S, Seva Bharti extend aid to Covid patients

He added that after personal interaction with the patients through telephone, their positive reports, contact number and a valid ID proof were submitted to AYUSH portal's Google form and the required tablets were delivered to them directly at home or isolation centres by volunteers of Covid Response Team, RSS. Masks and sanitizers were also handed over to the patients as per their needs.

The team also extended support in procurement of medicines for patients in containment zones or isolation centres, who have been unable to buy it due to restrictions in movement, added the statement.

RK Dinamani further mentioned that doctors are taking feedback and progress reports from the patients personally and filling up Google forms on Day 1, Day 7, Day 14 and Day 21 to keep track of the patients. As of today, more than 1000 patients have been helped.

Staff Reporter Aug 18: The Swayamsevak (S) and volunteers (V) distributed 4 tablets to patients in on with Regional Institute for ay, New Checkon ent districts, said a statement issued by Covid Response Team, RSS.

RK Dinamani, co-convenor of Covid Response Team RSS said the patients were divided into two groups, asymptomatic and mild to moderately symptomatic patients. The asymptomatic patients were handed over two bottles of AYUSH-64 and directed to take 2 tablets twice a day while the latter group was given 3 bottles each and were directed to take 2 tablets thrice a day.
